

Attention to Details and Language

Person

Try to add **detail** that will show who this **person** is, or what his or her personality is like.

- o What would this person say?
- o What does this person look like?
- o What are some examples of things this person would do?

Place

Try to use **sensory language** that shows what the **place** is like.

- o What does the place look like?
- o Does this place have a smell or a feel?
- o What happens at this place?

Object

Try to add **relevant details** about the **object** that show its meaning.

- o What does the object look like?
- o What is the history of the object?
- o What does it feel like?
- o Why is it important?
- o How does it make you feel?

Experience (actions and feelings)

Try to add **precise language** about **actions and feelings** during an **experience**.

- o What were you thinking during the experience?
- o What were people doing, saying, and/or feeling during the experience?
