

# Picture Possibilities

- 1. Describe the scene in detail. Think of all of your senses when you write this paragraph, imagining what you might hear, smell, touch, or taste if you were in this scene.**
  
- 2. Choose two of the following writing ideas:**
  - **Write a short anecdote about this incident from the point of view of one of the people in the photo.**
  - **Write a paragraph commenting on the significance of this photograph in the time period in which it was taken.**
  - **Write a paragraph describing the character of one of the people in the photo. Take your ideas from what you see in the picture and what you know about the event.**
  - **Write a commentary on the significance of this photograph today.**
  - **Write a persuasive paragraph about an issue related to this photograph.**
  - **Write about what may have happened right before and after the picture was taken.**
