

“Meant for Fun”

by Sara Holbrook

It was just for fun –
a game of truth or dare.
No one meant to hurt.
No one meant to get so scared.

A game without a box,
a lid,
a single rule.
No one meant to dare real danger.
No one meant to be so cruel.

A game.
It was just for fun –
truth or dare,
we each could choose.
No one meant it.
Who would know –
that all of us would lose?
