

Hello Softball Families,

Welcome athletes and families to the 2016 Intermural Softball Season! I am excited to see so many students interested and ready to play. **This season begins Monday, September 12. We will meet in the second floor gym and move outside from there.** Here are some basics about the team, requirements, and this year's schedule.

The Team:

We are playing co-ed, intermural slow-pitch softball. This means that boys and girls play together to have fun and learn the basics of softball. Some may have played for year; some may not have swung a bat. This year we are focusing on building basics, playing the game, and enjoying ourselves. We are playing for the love of the game in the interest of good sportsmanship and team-building

Requirements:

All students must complete the required sports forms, medical information, and fees in the front office. Students will bring a slip to Coach Jackson before they can be cleared to play. **If students have gloves, bats, hats, or other equipment, they are welcome to bring them,** but there are some spare gloves and bats if students cannot get everything.

Please bring a hat, a water bottle, and sunglasses to practice.

Our jerseys are IMS maroon. Please wear a dark undershirt and pants with the uniform. Long pants are best because the protection offered during slides. Hats are available for purchase through Julie Morgan in the main office.

Schedule:

Practices meet after school from 2:10-3:30 Mondays, Tuesdays, and Thursdays. Practices meet after school 3:25-4:25 Wednesday. After school busses are provided on practice days, leaving IHS at 3:45 Monday, Tuesday, and Thursday and 4:40 on Wednesday. In the case of a rain, the team will do practice drills and team building indoors.

Games are scheduled Tuesdays and Thursdays most weeks. Games begin at 3:00 and new innings are not started after 5:00. There are no after school buses after games; pick-ups from the field and at IMS after the game are needed. Parents and family members are encouraged to come and cheer on the team.

I cannot wait to see you on the field!

Coach Jackson

Softball 2016
