## Assessment and Reflection – How Writers Work

1. Write a paragraph describing the steps in the writing process.

---

---

---

---

---

2. What part of this process came easy? What was most difficult or challenging?

---

---

---

---

---

3. What did you learn from our mentor texts and authors that you find most helpful or inspirational? What learning will you take with you into our next unit of study?

---

---

---

---

---

4. What are your thoughts about your Writer's Notebook?

---

---

---

---

---

5. How do you feel about your published piece? Why?
