Math Club – Minutes
Monday, March 20, 2017

The meeting began at 2:10 p.m.

**Present:** Aidan V (for the yearbook photo—then, left—sick), Aiden L., Alina C., Angela M., Angelina L., Emily R., Hassan H., Jasmine L., Jenna S., Katherine D., Kyra S., Matthew K., Medha V., Nolan D., Nupur G., Tanvi M., Victoria L.

Before Henry and Isaiah arrived, Ms. Brewster helped students line up for the 2017 IMS Math Club Yearbook photo. When others arrived the photo was taken.

For today’s meeting, students continued with the mental math competition (in groups) from this competition: [http://www.blainesd.org/mathchamps/middle_school/Home.html](http://www.blainesd.org/mathchamps/middle_school/Home.html). Each team had (as close to) at least one student of each grade.

Three of our members are planning to attend the **Washing State Math Championship on March 25, 2017.** Alina C., Emily R., and Angie Z.

Medha V. gave an update as to how the Pi Day Competition went during all three lunches—last week. We feel it went well, and students enjoyed the Pi Day Celebration.

Remember that Henry highly recommends that everyone purchase this math resource book: the *Art of Problem Solving, Volume 1, The Basics* (Sandor Lehoczky and Richard Rusczyk) 7th edition. He feels it would be a GREAT investment. Also, the Solutions Manual would also be a beneficial one-time investment. This would be good for your math future.

The meeting adjourned at 3:35, for the activity bus.
