Math Club – Minutes
Monday, May 22, 2017

The meeting began at 2:10 p.m.

Both Henry and Isaiah were at the meeting.

Today was our end-of-year celebrations, as well as our last meeting for this school year. We had pizza and lots of treats.

Henry and Isaiah gave some words of wisdom, and asked students to share their thoughts on the year in Math Club.

For next year, remember that Henry highly recommends that everyone purchase this math resource book: the *Art of Problem Solving*, Volume 1, The Basics (Sandor Lehoczky and Richard Rusczyk) 7th edition. He feels it would be a GREAT investment. Also, the Solutions Manual would also be a beneficial one-time investment. This would be good for your math future.

A few awards were given out. Then, Ms. Brewster gave Henry and Isaiah their Appreciation plaques, as well as a few certificates, large thank you cards from the students, and they each received an Amazon Gift Card for all their hard work.

The meeting adjourned at 3:35, for the activity bus.

See you in September.
